Dear Felicity,

At our last Board meeting the Directors asked me to write to Dunmore Lang to express their appreciation for the support and help that you and Dunmore Lang College gave to us during our January Training Seminar. The venue proved ideal and having accommodation handy to Morling College made the venue especially suitable.

We particularly appreciated your help and the assistance of your staff. Delegates found the accommodation comfortable, the meals excellent and the facilities more than adequate. The Seminars we presented at Morling were well appreciated by those who attended and many of them already have used or are planning to use the training they received in overseas mission activities conducted by their schools.

Our Business Director, David Ferguson, joins me in thanking you for your help and your warm and courteous approach. We look forward to continuing to use your College next year.

Sincerely yours,
